HOW TO MAKE-UP MISSED CLASSES?

There seems to be some confusion regarding our Makeup Schedule (see BELOW), so we want to take a moment to clarify some things. Your child can attend ANY coordinating class that is offered on a different day to make up their missed class from now through May. Classes can be made up at your convenience. No prior notification is necessary before attending a makeup class. When your student arrives, simply inform the instructor that he or she is making up a class. For Example: If your child is enrolled in Pre-School I on Monday's they can attend class on Tuesday or Thursday to make-up their missed class. The other classes will follow this same format. We encourage you to bring your student to a makeup class whenever one is missed; however, you do not have a particular time the makeup classes have to be taken. You can attend a makeup class anytime during the entire season when it is convenient for you.

We regret that the holidays and parades fall so closely together and understand that some Monday and Thursday cancellations have caused our students to miss those days. However, we know how much children love the parades and Legacy is committed to supporting our community during holiday events. We encourage each of you to come out for the parades and enjoy the Christmas spirit.
