

## Costumes Go Home Feb. 16 - 19

Parents should plan to come into the studio for a **"Parent Meeting"** the last 15 minutes of class to participate in a complete discussion regarding costumes and pictures during that week. Your child's teacher will announce for parents to come into the studio room please wait in the lobby until then.

*Unfortunately we cannot allow costumes to be taken home unless your account balance is current.*

## PictureWeek February 28 - March 6

**DURING PICTURE WEEK WE WILL NOT HAVE REGULAR DANCE CLASSES.**

### **NO GROUP PHOTOS**

We will be making individual group composites again this year for our Recital Keepsake Program. Proceeding in this way allows each individual student to schedule their private appointments on days and times that are most convenient for them.

### **HOW WILL APPOINTMENT TIMES WORK?**

Appointments are scheduled on first come first serve basis. An appointment link scheduler will be emailed and posted on your class band prior to Picture Week. Appointment times are in 10 minute increments and scheduling will run Saturday-Friday 11:45 AM-8:00 PM. An appointment must be booked for each costume. For example, if your child has three costumes, you will need to schedule three separate appointments. It will work best if you choose every other appointment time to allow for costume changes.

### **HOW WILL GROUP COMPOSITES WORK?**

**If your child only has one costume,** that will be the photograph used in the composite.

**If your child has multiple costumes,** we will be assigning your child a specific costume to be photographed in for the composite.

In order for your child to be in the Recital Keepsake Program, **THEY MUST TAKE AN INDIVIDUAL PHOTO. ALL LEAGUE DANCERS AND ARE REQUIRED TO HAVE AN INDIVIDUAL PHOTO TAKEN.**

Group composites will be in the Recital Keepsake Program for those who pay a Recital Fee and perform in the Recital which includes all General Dance classes and League teams. Tumblers do NOT perform in Recital and therefore will not be included in group composites. However, Tumbling students are welcome to reserve an appointment for individual photos. Group Composites will be put together by Class and Team.

### **HOW TO PLACE PHOTO ORDERS:**

Orders for photos should be placed and paid for directly after your appointment. Starfire Media will be set up in the lobby to help parents view photos, discuss photo package options and place orders.

## Picture Week Reminders:

1) **Arrive on time and in full costume.** If your child is sick or you are not planning to come for your picture appointments, please call to let us know and rebook your appointment.

2) **All female students should wear makeup** including blush, eye shadow, mascara and lipstick that will compliment their features. Please do not wear glitter on your face or body, as it may cause a glare in your photo. Dance Express carries Mary Kay makeup in recommended colors for your convenience.

3) **No jewelry** of any kind should be worn for pictures, unless it is a group accessory that goes with the costume.

5) **Prepare to choose the photos you desire quickly and efficiently from the computerized proofing system provided by Starfire Media.**

6) **Do not forget to choose that “extra special photo” as a Tribute for your child in our Recital Keepsake Program.** Tell your dancer how proud you are of his or her accomplishments this year! Tribute Ads are tax deductible! More information is provided on our website and on the information handed out with your costume.
