HOW TO MAKE UP MISSED CLASSES?

HOW TO MAKE-UP MISSED CLASSES?

Your child can attend ANY coordinating class that is offered on a different day to make up their missed class from now through May. Classes can be made up at your convenience. No prior notification is necessary before attending a makeup class. When your student arrives, simply inform the instructor that he or she is making up a class.

For Example: If your child is enrolled in Pre-School I on Monday's they can attend class on any other day it is offered to make-up their missed class. The other classes will follow this same format.

We encourage you to bring your student to a makeup class whenever one is missed; however, you do not have a particular time the makeup classes have to be taken. You can attend a makeup class anytime during the entire season when it is convenient for you.
